Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Oceano Community Services District Water Resources Reliability Program – Waterline Improvements Projects in fiscal year 2024. The entity to receive funding for this project is the Oceano Community Services District, located at 1655 Front Street, Oceano, CA 93445.

The funding would be used for construction contracts for waterline improvements. The project is an appropriate use of taxpayer funds because it will improve groundwater resource reliability by lowering water losses to the system, protecting groundwater supply, decreasing the need for pumping, and improving water quality.

The project has a Federal nexus because it is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family. Sincerely, Member of Congress

Sincerely,
